

This type of practice set up is ideal to organize a large number of players on a green. 28 players (7 rinks x 4) can complete this practice on each green.

You can easily adapt the skill drill on each rink to achieve your practice goals. Players will get used to the structure and move through the skills with minimal instruction. Evaluation for each skill drill gives an objective measure of improvement as well as motivation and competition between players.

Improving Skills with On-Green Drills				Name:	Name:	Name:	Name:
1	Aiming Line	Deliver draw shot to any length aiming to finish in centre line.	3 points if finishing <1/2 mat from centre line 1 pt < 1 mat from centre				
2	Draw to jacks Weight control practice	Place 4 jacks at 21m, 23m, 27m & 29 metres. First bowler plays to 21m, 23m and second bowler plays to 27m & 29 metres.	5 points < 1/2 mat, 3 points < 1 mat, 1 pt within 2 mats				
3	Position bowls	4 markers placed 2 -3m behind the jack in various positions. Play one bowl to each markers.	5 points < 1/2 mat, 3 points < 1 mat, 1 pt within 2 mats				
4	Running shot	Place a Jack in the center of a mat placed sideways 27m from mat on 2m mark.	5 points = Hit jack 3 points = Bowl runs over mat				
5	Draw to the ditch	Jack is placed in ditch 1 metre from centre. Bowls in the ditch score zero. Short Length	5 points < 1/2 mat, 3 points < 1 mat, 1 pt within 2 mats				
6	Game Play 1 2 down at head, short and behind on the line. 4 draw shots to win end	Bowls 30cm from jack. Players alternate draw shots.	Score = position at head after 4 bowls played. E.g. If you hold 4 shots the score = +4. Still 2 down, score = - 2				
7	Game Play 2 2 down, jack high 4 draw shots to win end	Bowls 30cm from jack. Players alternate draw shots.	Score = position at head after 4 bowls played. E.g. If you hold 4 shots the score = +4. Still 2 down, score = - 2
